

Patients with Alzheimer's disease are better able to remember new verbal information when it is provided in the context of music"
 Boston University School of Medicine study, 2010

"Music brings back pleasant memories and comforts the heart" Debra Lieb, Jan 1981

For over 37 years, Debra has been performing at many different types of events as a pianist, vocalist and disc jockey. She also offers a jazz group, JAZZ-i-TUDE for special events. Her broad and varied repertoire adds the right blend of music for the retirement home resident.
